Missing items? If you ordered a bundle that includes more than one product and you are missing part of your bundle, then it just means your order shipped from two different warehouses. You will receive the remaining items very soon. If you have any concerns or inquiries, feel free to call our customer support center at 1-646-758-0144, 24 hours a day/7 days a week.

ROCKVILLE

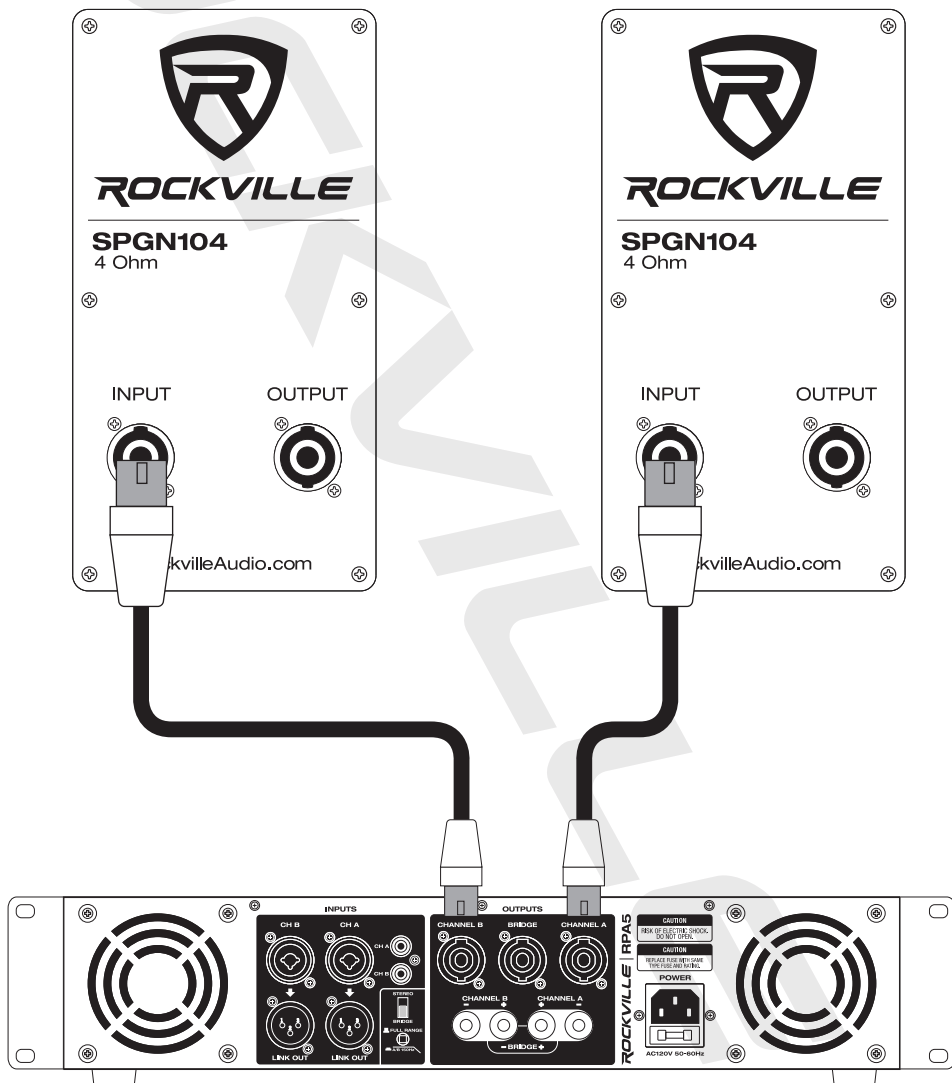

Thank you for purchasing this Rockville SPGN series pro audio speaker. We are very proud to bring you what we consider to be the absolute best value in pro audio speakers. Please read this setup guide carefully for proper use of your SPGN series pro audio speaker. Should you need assistance, please call our technical help line at 1-646-758-0144, 24 hours a day/7 days a week.

! PLEASE NOTE: The input and output ports are internally wired in parallel. When daisy chaining these speakers, make sure the total impedance does not fall below the amplifier's minimum rated impedance.

Configurations:

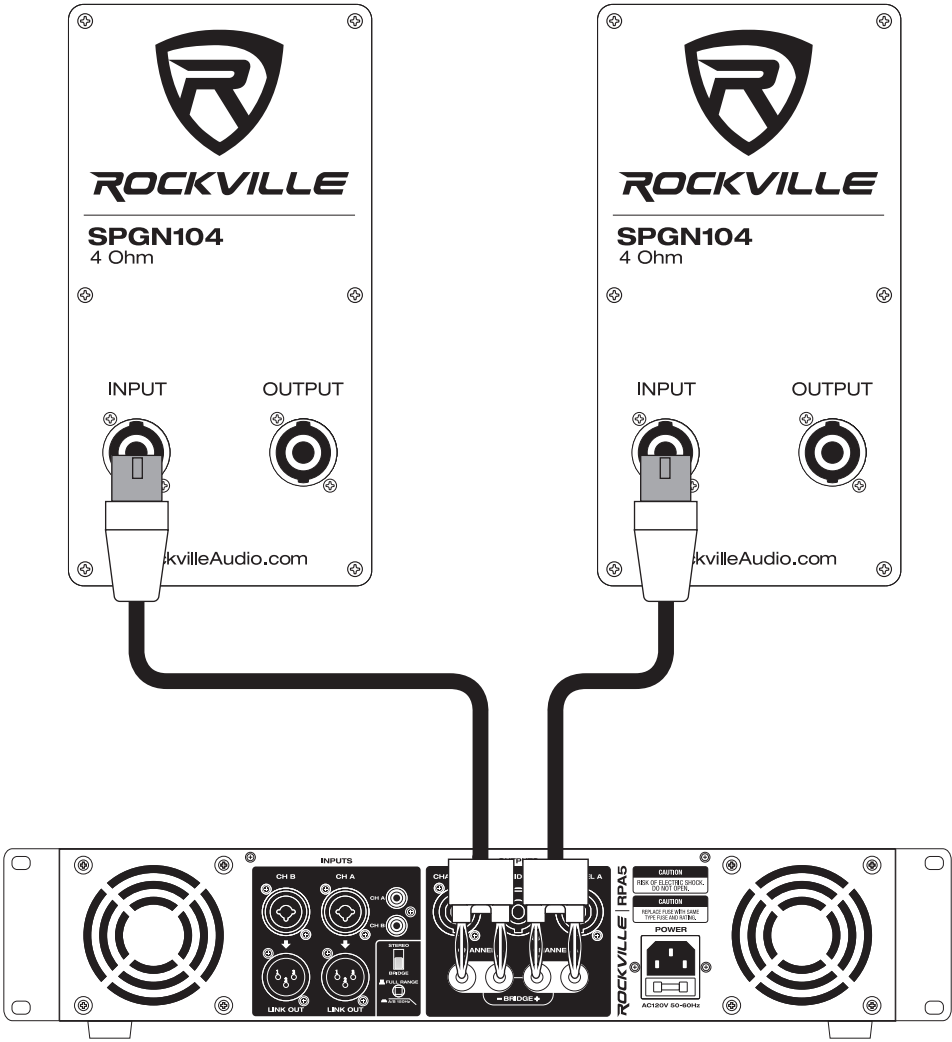

Speakon to Speakon

Outputs may be used to daisy chain multiple units. Be aware of impedance matching with an amplifier.

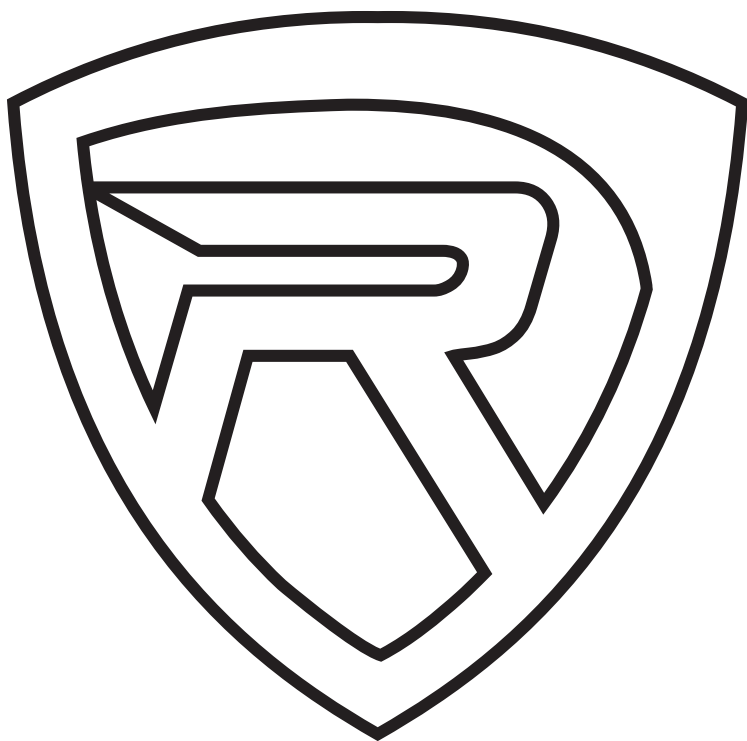

Configurations:
Speakon to Banana Plug

Outputs may be used to daisy chain multiple units. Be aware of impedance matching with an amplifier.

SPGN104 pictured for display purposes. Configurations apply to all models listed in this manual.
